## Summary

- 3 day course
- HSE Approved
- Certification valid for 3 years
- **FREE** AED use and Emergency Oxygen use

## Course Description

The course is a Health and Safety Executive (HSE) approved first aid course for the purpose of meeting the Health and Safety (First Aid) Regulations 1981. This programme meets the statutory needs of employers in England, Scotland, Wales and Northern Ireland needing at least one First Aider on the premises.

The First Aid at Work (Great Britain) course is customised to UK Resuscitation Council basic life support protocols and nationally accepted first aid protocols and is based upon the instructor led delivery of the Emergency First Response Primary Care and Secondary Care modules instructor digital lesson guides. Modules on Caring for Specific Illnesses and Injuries, and First Aid in the Workplace compliment these.

First Aid at Work (Great Britain) courses can only be conducted at authorised Workplace Facilities or alternatively can be arranged within your workplace.
